8:07pm Dale Carter called meeting to order.

Dale requested Candice discuss the Murray, KY show coming up on June 5th.

Candice is picking up the sheep panels for the building June 2nd.

Tractor Supply will donate bags of shavings for the show. However the amount is unknown so it is suggested to bring extra for your animals.

The Mid South needs sponsorship for renting the building for \$1,050.

Many have already submitted funds online via the Mid South website.

The Mid South Association bought the awards for \$600 (check was mailed to Candice).

Dale will ask Kasey (Secretary of American Dorper Sheep Breeder's Society) again if the American Dorper Sheep Breeder's Society will reimburse the Mid South for this show.

Dale suggested Mid South pay TN Tech University for serving/supplying the breakfast at the Southern States Show and Sale. Mid South will buy the lamb sausage from Maynard Weaver for the breakfast (8 pounds).

Dale will call Kasey again to find out what awards the Mid South needs to purchase for the youth and what the American Dorper Sheep Breeder's Society will provide.

Dale and Sunshine will contact Danny Jones (Show Committee Board Member for the American Dorper Sheep Breeder's Society) to inquire about what the Mid South needs to purchase.

Dale Carter suggests we send out letters for membership to increase membership count. The memberships are down. We only have 23 current members as of yesterday. Jo Ann stated several members are on our website that are not current members.

Jo Ann is putting a year behind each member's name on the website, so members will know if they are current.

Jo Ann will mail out membership forms to those who have not paid.

Memberships are due January 1st of every year.

If members have not paid they will be removed from the website.

Candice will look up prices for a backdrop banner for the 2 shows the Mid South hosts. And, then the Mid South will decide if the banner can be purchased. Sunshine will also get a second price.

Sunshine went over account info:
